

Unfortunately, reduced funding means that we must stop our Family Reunion assistance until further notice.

This includes stopping the:

- Family Reunion Drop In Day on Mondays
- Family Reunion Advice Line on Fridays

We hope to be able to start Family Reunion assistance again soon.

If you have an ongoing application to bring a family member to Australia and the Department of Immigration gives you a deadline, you must respond to the Department of Immigration in time.

If you do not, the application may be affected and the Department of Immigration may refuse the application.

If you need Family Reunion assistance, you can:

Contact an IAAAS Service Provider, which may be able to give free assistance

Centrecare:
