

Unfortunately, reduced funding means that we must stop our
General Drop In Day on Wednesdays until further notice.

We hope to be able to recommence this assistance again soon.

Some legal matters involve deadlines or limitation periods.

This is a time period in which you must act.

If you do not act, you can lose your right to legal remedies.

If you have a deadline for your matter, you must respond in time.

If you need assistance, you can:

Contact an organisation that
may be able to provide
free legal assistance

E.g. Legal Aid WA
a community legal centre
or Law Access

Legal Aid WA

You should tell Legal Aid WA that
The Humanitarian Group cannot assist you
